A total of seven electrical building permits were issued in August 2018.

Planning

Planning Review and Adjustment Committee

The Planning Review and Adjustment Committee (PRAC) of a Regional Service Commission performs both a decision-making (quasi-judicial) and an advisory role on behalf of communities. The decisions and recommendations made by the PRAC are guided by land use plans, the provisions of the *Community Planning Act* and regulations thereunder. Decisions of the PRAC must take into account the impact of development on a community. There was no PRAC meeting for the month of August.

Subdivision

There were five applications for subdivision in August 2018.

Zoning Confirmation, Zoning Compliance and Document Approval

There were two zoning confirmation letters and eight document approvals issued in August 2018.
